## FOREWORD

The 5th Stampede City International Exhibition of Color Photography has attained a position never dreamed of five years ago, both in the number of entries and in the excellent quality of the slides entered. The audiences at the four exceptionally well attended public showings of the accepted slides were impressed by the superior photography.

After five years of close association with this exhibition, it is indeed a pleasure to again extend thanks to our many friends in all parts of the world who have submitted slides.

The judges did an outstanding job of selecting slides of high merit. The Pictorial judges were: Mrs. Olive Everest, Calgary; Mr. Frank C. Trafford, Ralston, Alberta, and Mr. F. Douglas Motter, Calgary.

The judges on the Nature Panel were: Dr. Priscella Eccles, Calgary; Mr. Nicholas P. Ochotta, A.P.S.A. Edmonton, Alberta, and Mr. William McKay, Calgary.

Credit for the efficient managing of this exhibition goes to the many hard working members of the two camera clubs - - the Foothills Branch of the Color Photographic Association of Canada, and the Calgary Color Photo Club.

Charles J. Everest, Chairman  
5th Stampede City International  
Exhibition of Color Photography
